

ULTRAFAST X-RAY SUMMER SCHOOL
June 18- 21, 2012
SLAC National Accelerator Laboratory

UXSS  **2012**

UXSS 2012 is the sixth annual Ultrafast X-ray Summer School hosted by Stanford University's PULSE Institute for Ultrafast Energy Science at the SLAC National Accelerator Laboratory in Menlo Park, USA. UXSS 2012 is organized in collaboration with the Center for Free- Electron Laser Science (CFEL) at DESY in Hamburg, Germany.

The summer school is intended to give a comprehensive introduction to the field of ultrafast x-ray science and free electron lasers. The program, directed towards graduate students and post-docs, is highly interdisciplinary and focuses on the latest developments and opportunities in the field.
